Detailed Action

1. Claims 1-34 are presented for examination.
2. Information disclosed and listed on PTO 1449 has been considered.

Examiner's Amendment

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

IN THE SPECIFICATION

page 1, line 10, after "No." fill in the blank with --10/696,229--

page 17, line 26, after "Patent Application No." fill in the blank with --10/696,229--

Reasons of Allowance

4. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or disclose the claimed method or memory system that tracks the life remaining for a block of non-volatile memory by obtaining a differential erase count associated with the block of memory, the differential erase count substantially expressing a difference between a number of times the block of memory has been erased and a first value, incrementing the differential erase count when the block is erased, and storing the new differential erase count.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
